

Kids with Cleats

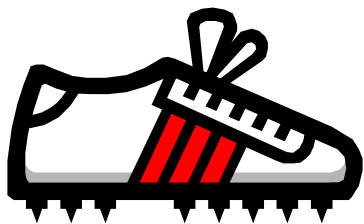

During these tough economic times and to promote the idea of community involvement, Cave Creek Carefree Youth Football is starting a new program called “**Kids with Cleats**”.

We are gathering gently-used sports cleats from students that have outgrown them, they will be cleaned, re-distributed and sold at a fraction of their original cost to the participants in the coming season’s youth football league. All proceeds will benefit the Sargeant Daggett Scholarship Fund.

We will be gathering the “used” cleats in the main office at each of our local CCUSD school’s. We will collect from April 1st through May 15th and resell on equipment day.

What are you waiting for...your closets get cleaned and you’ll be helping kids in your community football league.

Please contact Denise Bergstrom at dlbcmb@cox.net with any questions or visit our website at www.cavecreekfootball.com
